

General Terms and Conditions

We will undertake to work and provide the best images possible.

Most jobs are quoted on an all inclusive basis that includes fee, travel time, travel and disc of images for your designer to work on. Obviously any change to the specification may incur additional charges.

No print may be copied and prints must be ordered from the photographer, and not taken from the disc.

When possible the disc of images will be burnt at the end of the job.
Retouching etc is by quotation.

A successful Police/CRB check has been carried out and a priority is put on good and responsible behaviour.

Payment - Terms are 28 days from date of invoice.

As per Late Payment of Commercial debt Act 1998 a £40 charge is made on invoices unpaid at 30 days. Any discounts given are based on payment within terms. Late payment revokes any discount.

Copyright

The Copyright of all images rests with the photographer by Act of Parliament and license to use then given to the client as appropriate. In practice this is very seldom a problem as this is generous as regards their use. Third parties should not use photos without permission / fee.

Cancellation

A booking entails the reservation of a specific time slot and services, either verbally or in writing.

A postponement is in fact a cancellation!

Cancellation charges apply to the quoted amount

of 50% up to 20 days of the booked assignment
of 75% up to 10 days of the booked assignment

If the job is cancelled on the spot and I have attended the agreed venue the charge is 100%

Re-bookings for cancelled jobs will however qualify for a 25% discount if this takes place within 28 days.
